Triumph Thruxton 1200 from '16-

ABM
ergonomic style

D-Breisach a. Rh., 19th August 2016 Due to the customizing by the German accessories manufacturer ABM, the Thruxton 1200 becomes much more desirable, now. Model-specific widenings and different altitudes within the handlebar area offer ergonomic driving pleasure as well as an optical finetuning.

Customizing handlebar area: KIT Superbike
