### NEW: Adjustable footrest system | Indian FTR 1200 models

***D-Breisach, 30th June 2020* Sporty. Ergonomic. Noble. This new CNC-milled footrest system of the German motorcycle accessories specialist WUNDERKIND-Custom offers more than just an attractive look. Because beside to a high-quality look, it also shines with a clear plus in ergonomics.**

The fine toothing of the excenter allows various adjustments of the footrest position so that the motorcyclist can set his/her perfect position. The three possible mounting points that can be selected for the pedals of the gear and brake lever also help the driver in meeting his/her perfect foot position.

Further advantages:

- Switching reversal
- More freedom from the lean angle
- Delivery incl. boot protectors & all required mounting parts
- 2 versions to choose: Street & Racing

From now on, the new footrest system with homologation paper can be bought at the webshop of WUNDERKIND-Custom.
